DATA PROTECTION

Remind employees of their obligations and applicable policies regarding data protection to ensure compliance with GDPR. Ensure security and confidentiality of remote access.

EQUIPMENT AND STRESS TESTING

Ensure employees have what they need to work effectively from home. Provide a checklist.

HEALTH AND SAFETY

Advise employees on appropriate desk set up and good working practices – including breaks.

COMMUNICATION

Encourage employees to contact colleagues by phone rather than always relying on emails. Set up regular team meetings by phone. INSURANCE

Ensure employer's liability insurance and other commercial insurance applies to home workers. Employees should check their home insurance policies.
